

TAKE ADVANTAGE OF A TRUE REPORTING ENGINE

Ignite's DET UI / Reporting Scheduler provides lenders a true reporting engine that can be configured to run at automated, scheduled intervals delivered to whomever and wherever necessary.

Features Include:

- Every report can be independently scheduled
- Reports can be configured as csv, txt, and xml
- Deliver files to specified emails, shared network drives, sftp etc (internal or external recipients)
- Configure output values based on multifaceted conditional statements
- Reference data tables for data outputs
- Full log functionality for all reporting
- Configure writebacks into Encompass
- Configure conditional logic / reporting criteria
- Admin dashboards showing application activity
